BARE - BONES SOLUTIONS BOOK 2

Hello and welcome to book two of Bare - Bones Solutions the second in the series. These pages will enable the purchaser to build up an A - Z reference library of solutions. All but two of the adventurers included in this booklet are blow by blow solutions and all that is needed is to simply type them in as printed to complete the adventure. However Message from Andromeda and Perseus and Andromeda are simply lists of actions to be undertaken and as such movements through the adventure are omitted, e.g. (NORTH, WEST, SOUTH, EAST,). But I am sure that this will not spoil the ease of use of these solutions.

To all adventurers everywhere happy adventuring and I hope that my efforts help to ease the way
